(International News Service.)
WASHINGTON, Nov. 29.—The
American government today for-
warded a communication to Mexico
regarding the information contained
in Carranza's reply to the note de-
manding the release of Consular
Agent W. O. Jenkins.

The state department refused to
discuss the contents of this note or
to state to whom it was addressed,
but it is understood to be an inquiry
concerning the new charges made in
the Mexican reply, viz, that Jenkins
had signed contradictory statements
regarding his kidnapping and being
held for ransom by the Mexican band-
its.

It was stated yesterday that a de-
mand would be made on the Mexi-
can government for the complete re-
cords of the Jenkins case and that a
complete examination of them would
be made before the United States
would take further measures in the
Jenkins case.

Secret reports received here indicate
that James Wallace, the latest Ameri-
can to be murdered by a Mexican,
was the victim of an unwarranted at-
tack, and the state department will
press for reparation and the punish-
ment of the Carranzista soldier, who
is alleged to have killed Wallace in an
outburst of rage because the mule
upon which the American was rid-
ing kicked over a machine gun.

The fact that the murderer has not
been taken into custody is not pleas-
ing the officials here, for they de-
clare it indicates a disposition upon
the part of the Carranza government
to look lightly upon outrages against
Americans. When congress recon-
venes on Monday, there is a possi-
bility that strong action may be taken
which will bring the entire Mexican
question to a complete show down.

The indications are that the Ameri-
can government is taking up the
matter through the Mexican embassy,
though no definite information could
be obtained.

ALLIES TO PREVENT WAR IN BALKANS

DEFINITE STEPS TAKEN TO PRE-
VENT CLASH BETWEEN
ITALY AND JUGO-SLAVS.

(International News Service.)
LONDON, Nov. 29.—Definite steps
have been taken by the allies to pre-
vent war between Jugo-Slavia and
Italy, it was learned today. These
measures were formulated after Jugo-
Slavia had intimated to the allies that
any proposed extension of D'Annun-
zio's activities from Fiume would lead
to a conflict.

The Balkan situation is being watch-
ed keenly by British officials. It is
feared in some quarters that a clash
between the Jugo-Slavs and Italians
over territory on the Dalmatian coast
might result in a spread of hostilities
inland.

Nealeans to Write Ads for S. E. Ory

W. T. Nealeans, of Birmingham, has
accepted a position with S. E. Ory,
the well known Second avenue mer-
chant, as ad writer and window trim-
mer, and arrived yesterday to take
up his work. Mr. Nealeans is said to
be one of the most expert men of his
line in the Magic City, and his work
here is expected to attract attention.

Huns Won't Ratify Treaty If Further Demands Are Made

(International News Service.)
LONDON, Nov. 29.—Baron Von Loraner, head of the Ger-
man peace delegation has sent a letter to the allies saying that the
German national assembly has agreed that Germany cannot ratify
unless assured of repatriation of German war prisoners and guar-
antees against further allied demands, said a wireless press dis-
patch from Berlin today, quoting the Deutsche Allgemeine
Zeitung.

(International News Service.)
BERLIN, Nov. 29.—In its note to
the allies insisting that Germany will
not ratify the treaty if any further
demands are levied, the government
declares it will refuse to deliver
ships and docks demanded as repara-
tion for the sinking of the interned
German ships at Scapa Flow, it was
learned today.

The ministry takes the view that
if the demands are granted it would
probably fall. The note was said to
declare that the German government
was not responsible for the fate of
the interned German ships at Scapa
Flow and the cabinet had no control
over the sailors. It was contended
that sabotage by the sailors was not
punishable under international law in
the way the allies seek to have it.

PARIS, Nov. 29.—The supreme
council today voted to destroy all
German submarines except the ten
that will be given to France.

William Dougherty Has Splendid Voice

His Singing Was One of the Features
of "What's The Idea?"

Local theatregoers who attended
the Masonic last night were especial-
ly interested in the appearance here
of William Dougherty, who is a
brother of Mrs. Robt. Daniels, of De-
catu. As "Captain Volsberg," the
Georgia baritone has the leading mas-
culine singing role in "What's the
Idea," a play that is touring the
South this year for the first time,
and his splendid voice won for him
many encores. Mrs. Daniels was hos-
tess to a theatre party last night and
enjoyed the triumph of her brother.

"What's The Idea" is a clever mus-
ical play, and was well received
here. Rice and Cady, in the comedy
roles, were fun makers of merit, and
were assisted by a capable cast. The
musical numbers that pleased most
were "Sweet Belles of San Jose," by
Mr. Dougherty and Miss Quelus; "The
Girl in a Bubble," sung by Miss Wolf,
and original parodies by Rice and
Cady.

The Response to An Appeal

The appeal made for a Thanksgiving
offering met with a liberal re-
sponse. The pupils of the schools of
both Albany and Decatur brought
groceries, canned goods, and sweet
and Irish potatoes in such quantities
that baskets were sent to twenty
needy families with a sack of flour,
pork roast and a bag of potatoes, and
clothing where it was needed.

The Albany headquarters at the
Malone garage and the Decatur head-
quarters at T. E. Pride's office were
busy places Tuesday and Wednesday.
The remaining fruit and vegetables
went to the Benevolent Society Hos-
pital and was greatly appreciated.
The collection at the union Thanksgiv-
ing services in both towns and the
other churches is always added to
the treasury of the Ladies' Benevo-
lent society and is used for the needy
poor of both cities. The work done
by the Ladies Benevolent Society dur-
ing the year in supplying food, fuel
and clothing depends upon the gen-
erosity of the public. Contributions
were as follows:

Albany Public Schools	\$ 3.83
Mrs. Ponder's School	\$1.25
Decatur School	\$2.00
Decatur Thanksgiving Col.	\$3.50
Albany Thanksgiving Col.	\$2.18
Albany Checks	\$5.00
Episcopal Church	\$5.47
Lutheran Church	\$0.00
Total	\$140.23

The Ladies Benevolent Society de-
sires to express its appreciation of the
generous response to the appeal.

Millionaire and His Wealthy
Brother Among Those Who
Must Answer.

HENRY FORD MAY
RE-OPEN HIS CASE

Many Other Men Prominent in
Politics Are Included in
True Bills

(International News Service.)
CHICAGO, No. 29.—The Chicago
Evening American today carried the
following story: "Senator Truman H.
Newberry, millionaire politician, re-
turned victor over Henry Ford in the
Michigan senatorial election, has
been named in vote fraud true bills
voted by the grand jury sitting at
Grand Rapids, Mich.

The true bills, there are about 150
of them, naming an equal number of
persons, charged that Senator New-
berry and his brother, John S. New-
berry, of Detroit, both millionaires,
spent over \$1,000,000 in perpetrating
the frauds of the election. Political
leaders declare the return of the true
bills may mean the re-opening of the
battle of the polls and a new fight by
Ford for a seat in the senate. The
Newberry brothers head a long list
of those indicted. Among the others
are men whose names have been
prominent in Michigan and national
political campaigns."

PLAN TO TIGHTEN COAL INJUNCTION

(International News Service.)
INDIANAPOLIS, Ind., Nov. 29.—
Tightening of the Federal injunction
against any conspiracy to prevent re-
sumption of work in the coal mines of
the bituminous fields was believed to
be in prospect today. Following the
conference between L. E. Slack, U.
S. district attorney and Dan Sims, spe-
cial district attorney in charge of
enforcement of the injunction issued
by Judge Anderson, and between Mr.
Sims and Judge Anderson, it was
indicated that further action by the
government to insure increased out-
put of fuel is probable.

It is known that the government
has been inclined to deal leniently
with violators of the injunction dur-
ing the wage negotiations in Wash-
ington but since the miners have re-
jected the 14 per cent increase pro-
posal of Dr. Garfield, the fuel admin-
istrator, it is thought that those who
violate the order will be brought into
court.

rived here this morning from Balti-
more and were taken to the chapel
at Oakwood where religious ceremon-

dy, interment following. Deceased
had been ill during the past eight
months, undergoing two operations
without relief. He was for 45 years
in the employ of the L. & N. railroad
as engineer and "Bud" Brown, as he
was familiarly known, safely piloted
thousands in safety between here and
Montgomery. He began his profession
at Knoxville in 1870, and was 72 years
of age, dying with a wide circle of
friends in Alabama and adjoining
states who will be pained to learn of
the passing of this good man. He
was a member of the Knights of Py-
thias, members of the order bearing
the remains to their last resting
place. His wife and daughter, Mrs.
Glenn Medaris, of Clinton, Tenn., sur-
vive him, with an only brother, J. M.
Brown of this city.

The following relatives were among
those from a distance who attended
the funeral: Mr. and Mrs. Glenn
Medaris, Mrs. D. C. Richards, of Clin-
ton, Tenn.; Mr. and Mrs. T. H. Glenn
of Knoxville, W. R. Long of Chatta-
nooga, Mr. and Mrs. Willis Brown of
Birmingham. Mr. Brown made his
home here from 1878 until nine years
ago when he went to Birmingham and
was highly esteemed by all.

Union Leaders Not to Be Per-

Workers.

(International News Service.)
BIRMINGHAM, Nov. 29.—
Mine workers throughout the en-
tire district are cleaning up their
rooms in mines, preparatory to
quitting work today, dissatisfied
with the conclusions at Washing-
ton and the conference between
mine operators and operatives,
according to a statement given
out at the headquarters of the
United Mine Workers of America
here today.

A mass meeting of all labor
crafts of the city and district will
be held at Ben Hur temple Sun-
day afternoon at 2 o'clock, with
Geo. Huddleston, Senator Frank
S. White and John W. Altman as
principal speakers. President
Kennemer of the Alabama dis-
trict, united mine workers, re-
turned from Washington today.

(International News Service.)
WASHINGTON, Nov. 29.—The
department of justice this after-
noon ordered an investigation of
the reported closing of the mines
of the Georges Creek Coal Co.,
near Cumberland, Md., Judge C.
B. Ames, assistant attorney gen-
eral, issued orders to the U. S.
district attorney to investigate
the closing of the mines and to
prosecute if it was found the
mines had been closed to restrict
coal production. Judge Ames
holds that the injunction granted
at Indianapolis may apply to op-
erators as well as miners.

(International News Service.)
WASHINGTON, Nov. 29.—The na-
tion is turning to the coal miner to-
day for relief from the coal shortage.
With negotiations for wage adjust-
ments broken off, it is now up to
the individual miner to determine
whether he will return to his work
and accept the wage increase de-
clared just by Dr. Garfield, fuel ad-
ministrator.

In a majority of the mines through-
out the country notices were posted
today offering a 15 per cent increase
in wages to those miners who return
to their work. This is the increase
advocated by Dr. Garfield. The
union leaders will not be permitted
to interfere with the miners, who must
decide as individuals whether they
will take up their picks and return to
work again.

Protection will be given by the gov-
ernment. The department of justice
and the war department are both pre-
pared to see that there shall be no
interference with those miners who
desire to return to their work. Any
persons, whether miners or operators,
who attempt to restrict the coal out-
put will be prosecuted by the depart-
ment of justice. Judge C. B. Ames
has made this positive statement. Of-
ficials here today were disposed to
adopt a policy of watchful waiting.
They declare that within a week it
will be determined whether the miners
are going to follow the lead of the
government, or whether they will
stand by their leaders, who have re-
fused the government proffer.

WM. G. McADOO
FOR PRESIDENT

A number of the newspaper correspondents, in addition to Thomas Brewster, chairman of the coal operators, are of the opinion that William G. McAdoo will be a candidate for the presidency. All of these base their views on the fact that the former secretary of the treasury saw fit to champion the cause of the coal miners and the public by making public the excess profits returns of the coal barons for 1917. This inside information placed the operators in a rather unenviable light, and also convinced the ultimate consumer that he should not bear the brunt of the wage raise that is coming to the miners.

All this speculation as to Mr. McAdoo's presidential aspirations may be unfounded, for he has always been the friend of the working man, and hardly needed to strengthen his position with the toilers. It is also quite possible that the gossips are correct in their deductions, and that Mr. Wilson's son-in-law has a desire to set a precedent by succeeding his wife's distinguished father as chief magistrate. And if Mr. McAdoo has a presidential bee buzzing in his bonnet, the South may be depended on to give him strong support in the next democratic national convention.

AN AMERICAN WOMAN IN BRITISH COMMONS

The election of Viscountess Nancy Astor to the British House of Commons, where she will succeed her husband, who has been elevated to the peerage, is very pleasing to Americans, for the gifted woman is a native of Virginia, one of the famous Langhorne sisters whose beauty won for them the hands of some of the world's greatest and most distinguished men. It sorter tickles the Yankee pride to have little Nancy Langhorne move over to England and set the pace for the politicians over there, and it also gives the prohibitionists a smug smile of satisfaction to know that the fair candidate ran on a dry platform, and that her majority was sufficiently healthy to indicate that John Barleycorn is on the run in the "tight little isle" just the same as he is over here. As a campaigner "Nancy" showed that she was a master of all the lore of the cult, and

that her earlier associations had not been wasted. She went out on the hustings as vigorously as Carrie Nation could have done, and the result was that she swept the voters off their feet. In the House of Commons she will most likely prove a strong friend to the United States, and will use her vote and influence to cement closer the relations between the two great English speaking nations.

GEN. PERSHING SHOULD BE INVITED

"Black Jack" Pershing, the man who made the Kaiser sit up and take notice, is soon to visit Muscle Shoals. While his complete itinerary has not been announced, he will perhaps pass through here twice en route to and from Sheffield. He should be invited to stop over for at least a brief while in the Twin Cities, so that the loyal Alabamians of this section may extend him a bit of southern hospitality and thus express their appreciation of the great service he has rendered the nation. It has been announced, however, that invitations must come from municipalities only, as the commander-in-chief is not paying much attention to clubs and organizations. So it is up to the mayors and city councils of Albany and Decatur to pass along the word that they would feel honored to have Gen. Pershing spend an hour or two here at the gateway of the state, and thus get a proper introduction to Alabama.

MASON'S CONTRIBUTION TO PUBLIC GOOD.

(Birmingham Ledger.)

All Alabama is to be congratulated on the success of the campaign of the Masons for the erection of a handsome temple in Birmingham, worthy of the thousands of members of that craft in this jurisdiction and worthy also of the city, in which it will be located, and of the state of which this city is the most lustrous exponent.

When the Masons set out to do things, they go on a big scale. When they make up their minds that a thing is to be done, it may as well be decided by onlookers that it will be done. The new temple will not only prove of service to the order in its remarkable growth in this bailiwick, but it will be a distinct ornament to the city itself and add much to its attractiveness both to residents and to the visitor.

There is great prestige in things like a magnificent Masonic temple. They are the expression of the mental and spiritual caliber of the men whom they represent. The entire city will be served by the auditorium which is to be a feature of the temple. This is to seat something like 8,000 persons and will render possible any kind of international gathering and any artistic presentation of whatsoever size. The district and the state are beholden to the Masons for this splendid contribution to the public good.

Mrs. Martin Albon Says There Should Be a Way to Tell All Who Suffer Ill Health of the Wonders of Sul-Ferro-Sol, the Great Body-Builder.

So elated was Mrs. Martin Albon of Dothan, Ala., over the results she derived from Sul-Ferro-Sol, she asks if there isn't some way to tell everybody whose health is bad of the wonders of this great remedy.

Mrs. Albon stated that she had suffered a general breakdown in health for a long time. She was just sick all over, and no remedy that she had previously tried seemed to benefit her at all.

She said further: "Before I had finished taking the first bottle of Sul-Ferro-Sol, my appetite had improved, I was getting back my color and was gaining in strength and weight. I now feel fine."

The symptoms of Mrs. Albon apply to thousands and many of these thousands are daily regaining their strength just as this lady did—through the use of Sul-Ferro-Sol.

A THOUGHT FOR USE ON SABBATH AND EVERY OTHER DAY

Pollyanna Whittier, was a little girl who had been left the legacy of love—deathless love! What matters it that her parents were unnoticed missionaries in the Ozark Mountains? Their child justified their existence. For as the Bible truly says—"By their fruits, ye shall know them." Because those missionaries little spirit-filled daughter lived, future generations will rise up and call all three blessed! What though Pollyanna's mother was crossed in love and never married the "king" of her soul? Does it matter much that her father was decried as "third rate religionist?" Nothing matters. Since the offspring of this pair once again proved out the Master's saying: "A little child shall lead them!" Pollyanna led a foolish gossip "Ladies Aid Society," away from their barren and all but useless lives into the larger concerns of the Kingdom. The gossip-filled ladies, like Saul of old, doubtless thought they did God's service by filling up a

charity barrel with old clothes, once in a while, until Pollyanna's life by comparison made their look cheap and shoddy. Pollyanna's personality was as destructive to their ideals of life as a 42 centimeter shell in a defenseless camp of soldiers. Pollyanna taught those poor shriveled up souls to love and to weep as later by her suffering she taught her own aunt Polly to weep and to love. Later Pollyanna went into the home of him who was the "king" of her dead mother's love. And the child's life and her story caused him who was dead to live again! When Pollyanna's "memory eyes" looked in upon the very soul of this once a man, but now a cynic, his hardening heart became as that of a little child and his dying soul came to life again! It was lovely Pollyanna, she of the deathless love, who became the "go between" that caused the "king" to adopt orphan "Jimmy" who afterwards became the proud husband of Pollyanna.

It was this child's divine love, that relit the love fires, almost burned out, in the old maid heart of her aunt Polly and caused Aunt Polly to finally unite with the lover of her youth! And finally Pollyanna's love embraced as well members of the so-called lower animal races and drew them, although quadrupeds and dressed in fur, into the great family of love! America's sweetest public character today is—Pollyanna. She says that the kind of love she had and exercised can be possessed and exercised by all. Do you believe it? "Please."

CALOMEL DYNAMITE

A SLUGGISH LIVER

Crashes into sour bile, making you sick and you lose a day's work.

Calomel salivates. It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.—Advertisement.

of fire insurance for you today. Stop in and order this absolutely necessary protection at once. To neglect insurance is to take risks no one can afford to take. To refrain from insuring in order to save the premium is the height of folly. One small fire will do more damage than the premiums for many years.

Learned Her Lesson.
A friend of ours was a collector for a lodge. His little daughter was in the habit of accepting pennies from the members. Her mother chastised her and told her she must not accept pennies any more. So the next day, when one of the members offered her a penny, she said: "I can't take pennies; I can only take nickels and dimes."—Exchange.

FARMHANDS SPURN
\$5 A DAY AND BOARD
JACKSON, Mich., Nov. 29.—The farm labor situation in this district has reached such a stage that the farmers are offering five dollars a day and board. Still there is no labor to be had. The situation is class-

ed as one of the most critical in the history of the country. Much of the farm produce is rotting because of the lack of farmhands. It is said that the lure of high wages in the city factories is accountable for many of the young men leaving the farming districts.

—THOUGHT FOR EVERY ONE.

Keep us, O God, from pettiness. Let us be large in thought, in word and deed. Let us be done with fault finding and self seeking. May we put away all pretense and meet each other face to face, without self-pity and without prejudice. May we never be hasty in judgment and always be generous. Let us take time for all things. Make us grow calm, serene and gentle. Teach us to put into action our better impulses, straight forward and unafraid. Grant that we may realize that it is the little things that create differences. That it is the big things of life we are as one. And may we strive to touch and know the great, common woman's heart of us all.

"POLLYANNA" PARTY

For her Thanksgiving guest, Jane Odom of Nashville, Tennessee, Marjorie Beard invited a few friends to witness the "Pollyanna" production on Thursday evening. As usual the beautiful Thanksgiving custom was observed at the Almon home. On this delightful occasion the thought of each of the children of Solicitor and Mrs. D. C. Almon turned homeward where the arms of their parents were extended to gather them about the lavishly spread festal board. Where each passed a plate for the proverbial leg. With the family were gathered this year: Mr. and Mrs. T. H. Alexander and Mr. and Mrs. LeRoy McIntyre.

Mrs. Troy B. Ross has returned to her home at Nashville after an extended visit to her parents, Mr. and Mrs. E. T. Waters.

A NERVOUS WRECK

From Three Years' Suffering. Says Cardui Made Her Well.

Texas City, Tex.—In an interesting statement, Mrs. G. H. Schill, of this town, says: "For three years I suffered untold agony with my head. I was unable to do any of my work."

I just wanted to sleep all the time, for that was the only ease I could get, when I was asleep. I became a nervous wreck just from the awful suffering with my head.

I was so nervous that the least noise would make me jump out of my bed. I had no energy, and was unable to do anything. My son, a young boy, had to do all my household duties.

I was not able to do anything until I took Cardui. I took three bottles in all, and it surely cured me of those awful headaches. That has been three years ago, and I know the cure is permanent, for I have never had any headache since taking Cardui.

Nothing relieved me until I took Cardui. It did wonders for me."

Try Cardui for your troubles—made from medicinal ingredients recommended in medical books as being of benefit in female troubles, and 40 years of use has proven that the books are right. Begin taking Cardui today.

You Might As Well Get Your Share of Them

NOT WORDS, BUT DEEDS—NOT VISIONS, BUT VALUES—NOT BLUSTER BUT BARGAINS—MAKE THIS WEEK "STAND OUT" AS THE BEST TIME TO SUPPLY YOUR WINTER NEEDS—

These savings represent the difference between this store's prices and other stores' prices. The reason for this difference in PRICE is because THIS STORE ITSELF is different from other stores. If this store had to sell on credit, or had debt losses, or charge account expenses, these savings would be impossible here, just as they are impossible at stores that DO have these things, which ADD MUCH TO THE PRICE of merchandise, but ADD NOTHING to its value. That's the DIFFERENCE between this store and others—and the DIFFERENCE means DOLLARS for you. These savings might as well be YOUR savings. They're HERE for you.

Come and help yourself. Come Monday and all week, when there are so many MORE BARGAINS THAN USUAL.

"THE HICKORY NUTS" AT

MASONIC THEATRE TODAY

(From the "Wilmington Morning Star")

Thirty-six veterans of the immortal 30th division, which is given undisputed credit of smashing the strong Hindenburg line last September, will arrive in Wilmington today and will be honored by local patriotic citizens and residents as they have been every where throughout the south.

They compose the great "Hickory Nuts" show, the official show of the 30th division.

They are touring the entire south, and the newspapers everywhere are loud in their praise. The Raleigh News and Observer declared in the course of a whole column criticism that no better show had ever been on a Raleigh stage at any price. They are composed of professionals, and give a professional show, a mixture of vaudeville, minstrel and musical comedy, ten acts in all. Thirteen of the number were wounded in action; three were decorated for conspicuous bravery in action; two war-brides are in the line-up of the show.

"The Hickory Nuts" will appear at the Masonic today, matinee and night.

A DELIGHTFUL PHOTOPLAY

DELITE THEATRE MONDAY

One of the best photoplays of Marguerite Clark's repertoire is "Little Miss Hoover," in which that popular Paramount star is appearing at the Delite Theatre Monday. Miss Clark has the role of an enthusiastic society girl who becomes a farmerette and raises chickens so that the United States may win the war. There is a charming love story the interest of which is sustained to the end.

Lack of Fact.

Jones—What a Jonah that fellow Smith is. After owing me \$5 for two years he came up to me on the street and paid me right while I was talking to Brown, whom I had owed \$5 to for three years!

Keep the Home Fires Burning

Without an adequate home base of supplies of food, munitions, money and men during the late war, our soldiers and sailors could not have fought so effectively to make the world free.

But the line held at home as well as on the battlefield, and victory came.

The next task is to rout ignorance and superstition and error and sin from the world, and if our missionaries on the firing line do the most effective work, they must be supported by the prayers, intelligent co-operation and gifts of people at home.

There are 13,000,000 people in the Southern States who are not Christians.

There are countless people of foreign birth here who need to be evangelized.

Our brethren in black need to be lifted to a higher life through the gospel of Jesus Christ.

On the frontier along the Mexican border, in the mountains of the South and among the Indians there is need for missionary work of a constructive character.

Many homeless churches need assistance; 9,000 others which are not co-operating fully in the Master's work need to be enlisted and developed, and schools, hospitals and orphanages must be strengthened for their important work. The

Baptist 75 Million Campaign
